

The Disabled Golf Association

20% Discount Offer

As you all know **Walter Rose & Son** have been sponsoring our monthly charity raffle in aid of The Disabled Golf Association. They are now happy to extend their relationship with our Seniors section by offering us a massive 20% discount off of their butchers counter products. The discount does not apply to the fish or deli sections.

This will act as a trial promotion only during April and there is no upper limit - so the more you spend the bigger the discount. The discount is offered on the basis of one visit/purchase only and to qualify all you need is a Senior section newsletter from me (written by me and not from Walter Rose & Son) to which you add your name and club membership number. You then simply take the newsletter into either the Devizes or Trowbridge shop and hand it over.

If this trial is a success for both our section and Walter Rose & Son they will look to extend it. I will liaise with them to this effect. **APRIL ONLY OFFER AT THIS POINT IN TIME.**

All I can say is if you have not yet had the pleasure of trying the produce from this company then this is a great opportunity to taste the fabulous quality.

To get your newsletter please either:

- 1) Respond by email. I will then scan a copy for you to print
- 2) See me at the club and ask for one

I hope to develop the newsletter into a monthly item so please let me know if you want to be added to the recipients list .

Thank you

Richard Carpenter
